This letter is in response to your letter dated December 1, 2004, regarding the August, September and October Monthly Reports (7/1/04-7/31/04, 8/1/04-8/31/04 and 9/1/04-9/30/04) of Citizens Organized Political Action Committee (C00110585) ("COPAC").

COPAC is an informal organization and does not have any office. We have about three or four luncheon meetings at my office per year. The Committee has in fact paid for the cost of its stationery, postage, Xeroxing, food expenses, bank charges, messenger services and long-distance telephone calls. These expenditures are included among the various operating expenditures and other disbursements reported to the Commission. I have donated my services as treasurer and legal advisor.

Based on the foregoing, it would appear that our reports were correctly prepared.
